Transilvania University of Braşov, Romania

Study program: Materials Science

Faculty: Materials Science and Engineering

Study period: 4 years

Academic year structure: 2 semesters (14 weeks per semester)

Examination sessions (two): winter session (January/February)

summer session (June/July)

Courses per years (C= course; S = seminar; L = laboratory; P = project)

3rd Year

| No. | Course | | 5 th Semester | | | | | 6 th Semester | | | | |
|------|--|---|--------------------------|---|---|------|---|--------------------------|---|---|------|--|
